

	PART No. AND DESCRIPTION	FEATURES AND BENEFITS	CASE QTYS	USAGE DETAILS	UPCs
	TUFPAL31E LED Area Light	- Wide angled LEDs deliver broad area light - Two mounting options: - magnet mount - solid surface mount - Impact absorbing casing - Push lens to activate - Packed with 3 AA Energizer® MAX® batteries	6	  	CONSUMER UPC: 0 39800 10248 5 CASE UPC: 3 00 39800 10248 6
	TUFHD31PE Rugged LED Headlight	4 light modes: white (high/low), red for night, green for contrast - Hands-free lighting with independent controls - Light pivots up to 90° - Flip-up lens diffuses spot to area light - Rear-mount battery pack distributes weight evenly - Non-slip strap, removable top strap - Water-resistant - Packed with 3 AA Energizer® MAX® batteries	4	    	CONSUMER UPC: 0 39800 04023 7 CASE UPC: 3 00 39800 04023 8
	TUFHW21PE LED Swivel Light	4 light modes: white (high/low), red for night vision, green for contrast - Head rotates 125° - Stands for hands-free use - Rugged shatterproof lens - Water-resistant - Integrated belt clip - Packed with 2 AA Energizer® MAX® batteries	4	    	CONSUMER UPC: 0 39800 04019 0 CASE UPC: 0 00 39800 11673 4
	TUF4AAPE LED Project Light	- Impact-resistant construction - Rugged shatterproof lens - Push button switch - Water-resistant - Packed with 4 AA Energizer® MAX® batteries	6	    	CONSUMER UPC: 0 39800 02278 3 CASE UPC: 3 00 39800 02278 4
	TUF4CPE LED Spotlight	- Intense focus beam with exceptional runtime - Powerful LED technology - Extended beam distance - Rugged shatterproof lens - Water-resistant - Packed with 4 C Energizer® MAX® batteries	4	    	CONSUMER UPC: 0 39800 02770 2 CASE UPC: 3 00 39800 02770 3
	TUFPL22PH LED Inspection Light	- Slim, anti-roll design - Non-conductive material - Shatterproof lens - Impact-resistant rubber head and tail with non-slip grip - Push button switch - Water-resistant - Packed with 2 AAA Energizer® MAX® batteries	6	  	CONSUMER UPC: 0 39800 04022 0 CASE UPC: 0 00 39800 04046 6
	TUF2AAPE LED Task Light	- Bright white LED - Rugged shatterproof lens - Push button switch - Water-resistant - Packed with 2 AA Energizer® MAX® batteries	6	    	CONSUMER UPC: 0 39800 01854 0 CASE UPC: 3 00 39800 01854 1
	TUFPL36PE Non-Conductive Pen Light	- Bright white LED with polycarbonate shatterproof lens 360° light projection - Focusing lens projects concise spot - Tool quality composite material construction - Momentary switch extends runtime - Twist switch for consistent light - Durable pocket clip	6	  	CONSUMER UPC: 0 39800 90275 7 CASE UPC: 3 00 39800 90275 8
	TUF421PE LED 4AA Swivel Light	- Impact-resistant ABS plastic frame with steel sides and shock-absorbing rubber overmold - Rugged shatterproof lens - Head rotates 125° - Stands for hands-free use - Push button switch - Water-resistant - Packed with 4 AA Energizer® MAX® batteries	6	    	CONSUMER UPC: 0 39800 01852 6 CASE UPC: 3 00 39800 01852 7
