Vinyl Tapes

3M™ Vinyl Tape 471

UPC	Size	Color	Packaging	Quantity	Billing Unit

• Ideal for masking, wrapping or sealing many curved or irregular surfaces
• Excellent for lane and safety marking applications, ideal for color coding, abrasion protection, decoration and splicing applications
• 5.2 mil thick vinyl backing with a rubber adhesive
• Floor marking and safety identification
• Maintains color even when exposed to heavy abrasion
• Conformable, dead stretch properties to provide straighter lines
• Clean removal, good solvent resistance
