* These models must be ordered in pairs to reduce shipping damage.

Accessories

Product #	Description
OFM-CI	Corners (inside and outside)
OFM-JT	Splice plate 3 9/16 in. (90 mm)
OFM-PEINT	Brush paint "AM", "BL" 1/2 ounce (15 ml)
OFM-PEINTA	Spray paint "AM", "BL" 6 ounces (128 g)
OFM-SR	Baseboard section (6 in., 152 mm) for the installation of a 24V relay
OFM-240-SPLITTER	Baseboard section (6 in., 152 mm) - 240V splitter box to connect an air conditioner permanently (20A switch, double-pole, double-throw)
OFM-RO2	Baseboard section (6 in., 152 mm) - 240V splitter box toward a surface-mount, 6-20R receptacle (20A switch, double-pole, double-throw)
OFM-RO2B	Baseboard section (6 in., 152 mm) - CW 6-20R receptacle - 240V
OFM-RO1	Baseboard section (6 in., 152 mm) - CW 5-15R receptacle - 120V, 15A

Control Options

Product #	Description
OFM-TB1 (1-3)	Single-pole bi-metal thermostat 120V, 208V, 240V, 277V/17A
OFM-TB1-AV (1-3)	Single-pole bi-metal thermostat, tamperproof 120V, 208V, 240V, 277V/17A
OFM-TB2 (1-2)	Double-pole bi-metal thermostat 120V, 208V, 240V, 277V/17A
OFM-TB6 (1-3)	Single-pole bi-metal thermostat 120V, 208V, 240V, 277V/17A
OFM-TB26 (1-2)	Double-pole bi-metal thermostat 120V, 208V, 240V, 277V/17A
OFM-RT-120	24V relay with transformer 120V/25A
OFM-RT-208	24V relay with transformer 208V/22A
OFM-RT-240	24V relay with transformer 240V/22A
OFM-RT-277	24V relay with transformer 277V/19A
OFM-R	24V relay without transformer 240V/22A, 277V/19A
OFM-TRIAC-100 (4)	Triac 277V max., 10A max. or 2500W max.
OFM-TRIAC-400 (4)	Triac 400V max., 2500W max.
OFM-TRIAC-600 (4)	Triac 600V and 480V, 2500W max.
OFM-DIS20 (4)	Disconnect switch 250V max., double-pole, 20A
OFM-DIS40 (4)	Disconnect switch 600V max., three-pole, 40A

Add "BL" for white, "AM" for almond.

1) Setting range: 40 °F to 100 °F 2) "Off" position 3) Thermostat contact will remain open down to -31 °F when set at its minimum 4) Factory installed

OFM

series

Electric Baseboard Heater

A distinctive style

The OFM baseboard heater is more compact than any other heater on the market while offering a high level of performance and strength.

Trim lines enhance the appearance of this unique heater. Rounded corners and edges make it safe for toddlers.

In addition, the heater's reduced height eliminates the use of a furring strip at the base of the wall during installation.

Features

Color

- Standard: white, almond.
- Optional and custom colors available upon request.

Finish

- Standard: epoxy/polyester powder paint.
- May be repainted with any interior paint.

Voltage

- 120V, 208V, 240V/208V, 277V, 347V or 600V, 1-phase.

Construction

- 20-gauge steel connection box.
- 22-gauge steel body.
- 20-gauge front panel.
- Rounded upper corners.
- Linear high-limit temperature control with automatic reset.

Heating element

- Steel tubular heating element with aluminum fins.
- Floating heating element on high-temperature nylon bushings, eliminating expansion noises.

Watt density

- Standard watt density of 275W/ft. (900W/m).
- Low watt density of 200W/ft. (650W/m).

Controls

- A wide selection of built-in thermostats available.
- Built-in thermostat kit can be installed at either end.
- Built-in relay kit fits in the right end box only.
- A low/high voltage separator plate (included with low voltage relay kit) must be added when installing low voltage relay in electric baseboard.

Installation

- Connection box at both ends of the heater.
- Installation directly on the floor.
- Single-screw built-in wire holder.
- Raceway for easier installation.
- Two rows of mounting holes spaced on 1 in. (25.4 mm) intervals for ease of installation.
- Variety of accessories available for wall-to-wall installation

Warranty

- Lifetime warranty on the electric heating element applies to the initial end user;
- 1-year on the other components.

Ouellet highly recommends use of an electronic wall thermostat for greater comfort.

The optional built-in thermostat can be easily installed at either end.

A large access compartment and a single-screw connector allows for more flexibility when connecting the baseboard.
