

## CABLE ACCESSORIES

Panduit provides a comprehensive offering of cable accessories. These accessories are engineered to speed installation and lower installed costs for routing and managing cable. Panduit cable accessories are designed and manufactured to meet applicable quality standards including International, UL, Military, ISO and Aerospace.

- Largest selection of mounts, clips, and clamps for cable management
- Panduit cable ties and accessories can be used in a variety of applications and environments, providing the optimal cable management solution
- Installation methods include adhesive backed, user applied adhesive, screws, rivets or push barb

Panduit mounts, clips, and clamps are manufactured in an environment committed to design innovation, high quality, and knowledgeable service to our customers. Adhesive backed mounts provide a strong adhesive bond for long-term reliability. Cable clips offer a one-piece solution to save time and reduce inventory. Harness board accessories speed the routing and forming of cable bundles in the fabrication of a harness. They hold bundles at a uniform height above the board and are ideal for use with Panduit manual and automatic cable tie tooling.
