## Catalog No. THQL2140

**Description: CIRCUIT BRK 10KA QL 2P 120/240V 40A**

**UPC No 783164012934**

**Home > Circuit Breakers > Residential Circuit Breakers > Q Line**

Q Line circuit breakers are one-inch wide per pole, compact, thermal-magnetic devices designed for residential and commercial applications in load centers or lighting panels. All Q Line circuit breakers feature Quick-make / Quick-break mechanisms, common trip bars, and easy to spot trip indication to ensure safety and reliability. Q Line breakers can be ordered with auxiliary contact and shunt trip accessories, and can be ordered for use in HID applications. The THQL2140 breaker features 2 poles, an ampere rating of 40 A, an interrupting rating of 10kAIC, and a voltage of 120/240V.

### Descriptors

|              |                  |
|--------------|------------------|
| Category     | Q Line           |
| Product Line | Q-Line (Plug-In) |
| GO Schedule  | R5               |

### Specifications

|                                 |                        |
|---------------------------------|------------------------|
| Interrupting Capacity Rating    | 10 kAIC                |
| Voltage                         | 120/240 V              |
| Trip Style                      | Non-Interchangeable    |
| Frame Type                      | Q-Line                 |
| Amperage                        | 40 A                   |
| System Voltage                  | 120 Vac<br>120/240 Vac |
| Poles                           | 2                      |
| Trip Function                   | LI                     |
| Continuous Current Rated        | Standard               |
| 120 Vac Interrupting Rating     | 10 KAIC                |
| 120/240 Vac Interrupting Rating | 10 KAIC                |
| Suitable for Reverse Feed       | Yes                    |
| Long Time                       | Fixed                  |
| Instantaneous                   | Fixed                  |
| Protective Relays               | No                     |
| Current Metering                | No                     |
| Special Markings                | HACR                   |
| GSA Compliance                  | Yes                    |
