### COMPLIANCE

All tradeSELECT wall plates are CSA certified, unless otherwise stated, and meet the requirements of the Canadian Electrical Code. File numbers are available upon request.

### PACKAGING

tradeSELECT wall plates are individually packed with chrome plated mounting screws, except solid brass wall plates which include brass plated mounting screws.

Wall plates can be bulk packed, with or without mounting screws, upon request.

Stainless Steel and Solid Brass wall plates are supplied with a plastic coating which protects the finish and should be removed once the plate is installed.

The packaging label includes the quantity, catalogue number, material type, bar code information, and a drawing of the product.
