

# Eaton FAZ-S40{2}

Catalog Number: FAZ-S40/2

Eaton FAZ supplementary protector,UL 1077 Industrial miniature circuit breaker - supplementary protector,40 A,15 kAIC,Two-pole,13-17X /n,Standard terminals,S curve

## General specifications

|                                                 |                                                                                                      |
|-------------------------------------------------|------------------------------------------------------------------------------------------------------|
| Product Name                                    | Catalog Number                                                                                       |
| Eaton FAZ supplementary protector               | FAZ-S40/2                                                                                            |
| EAN                                             | Product Length/Depth                                                                                 |
| 4015082788155                                   | 3.5 in                                                                                               |
| Product Height                                  | Product Width                                                                                        |
| 1.5 in                                          | 3 in                                                                                                 |
| Product Weight                                  | Warranty                                                                                             |
| 0.5 lb                                          | 1 year                                                                                               |
| Certifications                                  | Catalog Notes                                                                                        |
| UL 1077<br>IEC 60947-2<br>CSA Std. C22.2 No.235 | Positioned for highly inductive loads especially in control circuits with coils and light filaments. |

## Physical Attributes

### Number of poles

Two-pole

### Terminals

Standard

## Performance Ratings

### Amperage Rating

40 A

### Trip Type

13-17X /n
