

# Eaton FAZ-Z3{2

Catalog Number: FAZ-Z3/2

Eaton FAZ supplementary protector,UL 1077 Industrial miniature circuit breaker - supplementary protector,3 A,15 kAIC,Two-pole,2-3X /n,Standard terminals,Z Curve

### General specifications

|                                   |                                                                                                        |
|-----------------------------------|--------------------------------------------------------------------------------------------------------|
| Product Name                      | Catalog Number                                                                                         |
| Eaton FAZ supplementary protector | FAZ-Z3/2                                                                                               |
| EAN                               | Product Length/Depth                                                                                   |
| 4015082788209                     | 1.5 in                                                                                                 |
| Product Height                    | Product Width                                                                                          |
| 1.5 in                            | 1.5 in                                                                                                 |
| Product Weight                    | Warranty                                                                                               |
| 0.5 lb                            | 1 year                                                                                                 |
| Certifications                    | Catalog Notes                                                                                          |
| IEC 60947-2                       | Very low instantaneous setting to provide tighter protection for loads more sensitive to overcurrents. |
| CSA Std. C22.2 No.235             |                                                                                                        |
| UL 1077                           |                                                                                                        |

## Physical Attributes

### Number of poles

Two-pole

### Terminals

Standard

## Performance Ratings

### Amperage Rating

3 A

### Trip Type

2-3X /n
