

# Eaton FAZ-Z20{2

Catalog Number: FAZ-Z20/2

Eaton FAZ supplementary protector,UL 1077 Industrial miniature circuit breaker - supplementary protector,20 A,15 kAIC,Two-pole,2-3X /n,Standard terminals,Z Curve

### General specifications

|                                                 |                                                                                                        |
|-------------------------------------------------|--------------------------------------------------------------------------------------------------------|
| Product Name                                    | Catalog Number                                                                                         |
| Eaton FAZ supplementary protector               | FAZ-Z20/2                                                                                              |
| EAN                                             | Product Length/Depth                                                                                   |
| 4015082788261                                   | 1.5 in                                                                                                 |
| Product Height                                  | Product Width                                                                                          |
| 1.5 in                                          | 1.5 in                                                                                                 |
| Product Weight                                  | Warranty                                                                                               |
| 0.5 lb                                          | 1 year                                                                                                 |
| Certifications                                  | Catalog Notes                                                                                          |
| CSA Std. C22.2 No.235<br>IEC 60947-2<br>UL 1077 | Very low instantaneous setting to provide tighter protection for loads more sensitive to overcurrents. |

## Physical Attributes

### Number of poles

Two-pole

### Terminals

Standard

## Performance Ratings

### Amperage Rating

20 A

### Trip Type

2-3X /n
