OPS SERIES

LED SECURITY WALL PACK

DESCRIPTION

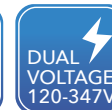

The RENO OPS series Motion and Dusk to Dawn security light is a PIR motion sensor activated with twin heads. With a wide detection range, brighter light output and instant-on LED technology assures any property is well lit for visibility at night. This fixture can easily be positioned using the swivel heads and deal for direct replacement of traditional style security fixtures.

FEATURES

- PIR sensor design with lighting control
- Adjustable sensitivity and hold time
- High lumen efficiency, 100lm/W
- Adjustable lighting direction: 350° in horizontal direction and 180° in vertical direction.
- Multi CCT
- Wet location for outdoor application
- Easy to disassemble and install, convenient for maintenance
- 5 year warranty

APPLICATIONS

-  Commercial Building
-  Exterior Parking
-  Hospital
-  School
