## Features and Benefits

- Ideal for residential and commercial applications including kitchens, bedrooms, home offices, college dormitories, airport lounges, hospitals, salons and spas, hotels, meeting rooms, cafes, restaurants and more
- Smart chip technology recognizes and optimizes the charging requirements of individual devices including Apple, Samsung, Nexus, Pixel and more
- Tamper-Resistant improves child safety – built-in shutter prevents access by most non-rated/foreign objects
- USB Ports tested to withstand over 10,000 insertions
- Charges most Type A and Type-C USB powered devices
- Type-C Port permits the cables to be inserted easily in either direction
- Charging time may be affected by the charge cord used. Leviton recommends using the cord provided with the device
- Compatible with Decora® wallplates and Decora Plus™ screwless wallplates
- Compatible with USB 3.1, 3.0, 2.0, 1.1 devices
- No data transfer capability
- Compatible with Decora® wallplates and Decora Plus™ screwless wallplates. Wallplate sold separately
