

UPC Code : 078477332528

Country Of Origin : China

E5603-W

Decora Edge 15 Amp 3-Way Rocker Switch, White

15 Amp, 120/277 Volt, Decora Edge 3-Way AC Quiet Switch, Residential Grade, Self-grounding - White

ROHS Compliant : Yes

- **FASTER** – Patent-pending lever terminals for fast, efficient wiring. As Easy as PUSH. CLICK. DONE
- **EASIER** – Large strap makes installations easier as well as the ability to use 14 gauge and 12 gauge stranded and solid copper wire
- **SAFER** – No exposed metal parts for enhanced safety
- **CONVENIENT** – Color-coded lever terminals to help prevent miswiring
- **COMPATIBLE** – Coordinates seamlessly with other Decora devices and can be used with any sized Decora wallplate

Available only in USA. Available in Canada starting in August 2023

Technical Information

Electrical Specifications

Amperage : 15 A

Grounding : Self-Grounding

HP Rating : 1/2HP-120V 2HP-240V-277V

Max. Amperage : 12 Amp

Voltage : 120/277 VAC

Material Specifications

Terminal Accom. : Side Lever Wire #14-#12 AWG; Stranded and Solid copper wire only

Terminal ID : Color Coded Lever Terminals, including Ground

Termination : Side Lever

Type : Rocker Switch

Mechanical Specifications

Actuator Material : Thermoplastic

Body Material : Thermoplastic

Strap Material : Plastic and Steel

Product Features

Amperage : 15 A

Color : White

Device Type : Rocker Switch

Grade : Residential

Standards and Certifications

CSA : CSA 22.2 No 111

NOM : NOM

UL Standard : UL 20: File E7458

Warranty

Warranty : 2-Year Limited

Features and Benefits

- Provides the traditional appearance and superior performance of Decora® devices in a new, faster, easier-to-install, and safer design
- Patent pending lever terminals for fast, efficient wiring
- Color-coded lever terminals reduces risk of miswiring
- Lever doors have snap feature to assure connection has been made; audible click confirms lever door is closed
- Only Residential device on the market with a quick termination ground wire
- No exposed metal parts for enhanced safety; eliminates need for electrical tape
- Strap's unique tongue and groove alignment offers quicker trim out on multi-gang installations
- Lever connectors work with 14 gauge and 12 gauge stranded and solid copper wire
- Wire openings prevent wire insulation from being inserted into the terminals
- One standard strip gauge for all devices
- Devices coordinate seamlessly with other Decora devices
- Longer and wider strap is compatible with Midway wallplates, and with Standard sized wallplates when breakaway tab is removed
- Can be used with Decora wallplates and Decora Plus™ screwless wallplates
- Test openings for circuit testers
- Controls light(s) from two locations
- Two 3-way switches must be used in a 3-way application
