

**PRODUCT CODE: CL106P-110WM-PF5C9N**
**6 INCH APERTURE CLOSET LIGHT SURFACE MOUNT 5CCT**

## PRODUCT DESCRIPTION

The new Etlin-Daniels Low profile LED Closet Light CL106P-110WM-PF5C9N offers compact design, enhanced energy savings, glare free illumination, all with a built-in PIR Sensor. The aluminum housing will dissipate what little heat the diode array produces and the easy-to-remove frosted polycarbonate lens allows for simply, quick installation.

This new generation is equipped with a 5CCT switch allowing for a choice between 5 available color temperatures and is now 90CRI for enhanced color definition. The CL106P comes with multiple keyless slot locations to attach to the j-box, providing optimal Sensor positioning for its auto on/off function. Once the space is vacated, the sensor will automatically shut off the fixture in 30 seconds.

The new generation CL106P is the perfect solution to illuminate closets, garbage rooms, small storage rooms, washrooms, basements, residential garages - anywhere a lighting fixture may be left on when the space is vacated.

## FEATURES

- LED Indoor Light Source
- Surface Mount low profile 1" deep housing // 6" diameter
- Durable aluminum body with frosted polycarbonate lens.
- 120V
- 90CRI
- 5CCT - 2700K/3000K/3500K/4000K/5000K
- Wet location rated
- Keyless slot mounting to j-box
- PIR Sensor built-in - 30 seconds to off when space is vacated
- 5 year warranty
- L70 - 50,000 hours
- Energy Star Certified
