

2024 Specification Sheet - English**LONG DESCRIPTION –****Long Description Marketing Copy**

Create precise, quality bends in 1/2" EMT, Rigid, and IMC and 3/4" EMT conduits all with one tool.. Maintains industry markings.. Inner angle markings for easier visibility in handle-down bending.. Large foot pedal increases toe room and surface area to maximize control, stability, and leverage, and the wider base increases stability and allows the bender to stand on its own.

PRODUCT NAME –**Page Title**

844A Dual-Shoe Hand Bender Shoe, 1/2" to 3/4"

PRODUCT OVERVIEW –**Marketing Text 1**

Create precise, quality bends in 1/2" EMT, Rigid, and IMC and 3/4" EMT conduits all with one tool.

Marketing Text 2

Maintains industry markings.

Marketing Text 3

Inner angle markings for easier visibility in handle-down bending.

Marketing Text 4

Large foot pedal increases toe room and surface area to maximize control, stability, and leverage, and the wider base increases stability and allows the bender to stand on its own.

Marketing Text 5

Site-Rite sighting system provides optimal visibility in low-light areas to ensure easier, more accurate bends.

PRODUCT SPECIFICATION –

Product Specification 1

Brand Name : Greenlee

Product Specification 2

Type : Hand Bender

Product Specification 3

Special Features : Bend more, carry less on every job with the Greenlee Dual-Shoe Hand Bender. This patent-pending hand bender delivers precise, quality bends on $\frac{1}{2}$ " and $\frac{3}{4}$ " EMT and $\frac{1}{2}$ " rigid and IMC conduits with one tool. Get optimal control with the large foot pedal and wide base and enhance visibility with SITE-RITE® technology and inner angle markings.

Product Specification 4

Application : Conduit bending

Product Specification 5

Conduit Type : EMT, IMT, and Rigid

Product Specification 6

Conduit Size : 1/2" EMT, Rigid, IMC, and 3/4" EMT

Product Specification 7

Centerline Bend Radius : 5-1/8 in.

Product Specification 8

Construction : Aluminum

Product Specification 9

Marking : 0°, 10°, 15°, 30°, 45°, 60°, 90°, Offset Multipliers, Star mark, Arrow, 3-Bend Saddle Notch

Product Specification 10

Pedal Type : Foot
