SIEMENS

Data sheet

6GK7177-1MA20-0AA0

LOGO! CSM12/24 Compact Switch Module connection of a LOGO! (...0BA7/...0BA8) and up to 3 further nodes to Ind. Ethernet with 10/100 Mbit/s Unmanaged switch, 4 RJ45 ports, 1x front port for diagnostics DC 12/24V power supply LED diagnostics, LOGO! setup.

product type designation	
product brand name	LOGO!
product type designation	CSM 12/24
transfer rate	
transfer rate	10 Mbit/s, 100 Mbit/s
interfaces / for communication / integrated	
number of electrical connections	
● for network components or terminal equipment	4
number of 100 Mbit/s SC ports	
● for multimode	0
interfaces / other	
number of electrical connections	
● for power supply	1
type of electrical connection	
● for power supply	3-pole terminal block
supply voltage, current consumption, power loss	
type of voltage / 1 / of the supply voltage	DC
● supply voltage / 1 / rated value	24 V
● power loss [W] / 1 / rated value	1.5 W
● supply voltage / 1 / rated value	10.2 ... 30.2 V
● consumed current / 1 / maximum	0.15 A
● type of electrical connection / 1 / for power supply	3-pole terminal block
● product component / 1 / fusing at power supply input	Yes
ambient conditions	
ambient temperature	
● during operation	0 ... 55 °C
● during storage	-40 ... +70 °C
● during transport	-40 ... +70 °C
relative humidity	
● at 25 °C / without condensation / during operation / maximum	90 %
protection class IP	IP20
design, dimensions and weights	
design	LOGO! module
width	71.5 mm
height	90 mm
depth	58.2 mm
net weight	0.15 kg
fastening method	
● 35 mm top hat DIN rail mounting	Yes

11/9/2024

● wall mounting	Yes
● S7-300 rail mounting	No
● S7-1500 rail mounting	No

product functions / management, configuration, engineering

product function	
● multiport mirroring	No
● switch-managed	No

standards, specifications, approvals

certificate of suitability	
● CE marking	Yes
● cULus approval	Yes
● KC approval	No
● Regulatory Compliance Mark (RCM)	Yes
standard	
● for safety / from CSA and UL	UL 508, CSA C22.2 No. 142

standards, specifications, approvals / hazardous environments

certificate of suitability	
● ATEX	Yes
● UKEX	Yes
● IECEx	Yes
● ULhazloc approval	Yes
● CCC / for hazardous zone according to GB standard	Yes
● FM registration	Yes

standards, specifications, approvals / other

certificate of suitability	
● RoHS conformity	Yes

product functions / general

reference code	
● according to IEC 81346-2	KF
● according to IEC 81346-2:2019	KFE

security information

security information	Siemens provides products and solutions with industrial cybersecurity functions that support the secure operation of plants, systems, machines and networks. In order to protect plants, systems, machines and networks against cyber threats, it is necessary to implement – and continuously maintain – a holistic, state-of-the-art industrial cybersecurity concept. Siemens' products and solutions constitute one element of such a concept. Customers are responsible for preventing unauthorized access to their plants, systems, machines and networks. Such systems, machines and components should only be connected to an enterprise network or the internet if and to the extent such a connection is necessary and only when appropriate security measures (e.g. firewalls and/or network segmentation) are in place. For additional information on industrial cybersecurity measures that may be implemented, please visit www.siemens.com/cybersecurity-industry. Siemens' products and solutions undergo continuous development to make them more secure. Siemens strongly recommends that product updates are applied as soon as they are available and that the latest product versions are used. Use of product versions that are no longer supported, and failure to apply the latest updates may increase customer's exposure to cyber threats. To stay informed about product updates, subscribe to the Siemens Industrial Cybersecurity RSS Feed under https://www.siemens.com/cert. (V4.7)

Approvals / Certificates

General Product Approval		For use in hazard-ous locations

CE EG-Konf.	[Declaration of Conformity](#)	CCC	UL	RCM	IECEx IECEx

For use in hazardous locations			Environment	
Ex ATEX	[FM](#)	[CCC-Ex](#)	[Confirmation](#)	EPD
