

# Eaton XTOB160HC1

Catalog Number: XTOB160HC1

Eaton XT IEC bimetallic overload relay, H-frame, 1NO-1NC contacts, 120-160A overload, Separate mount

General specifications

|                                        |                      |
|----------------------------------------|----------------------|
| Product Name                           | Catalog Number       |
| Eaton XT IEC bimetallic overload relay | XTOB160HC1           |
| EAN                                    | Product Length/Depth |
| 4015081363537                          | 3 in                 |
| Product Height                         | Product Width        |
| 2 in                                   | 3 in                 |
| Product Weight                         | Certifications       |
| 0.7 lb                                 | UL Listed            |
|                                        | CSA Certified        |

## Product specifications

### Overload range

120-160 A

### Mounting

Separate
