

## PACSystems RX3i I/O

| Analog Input Modules                  |                                                                                                |
|---------------------------------------|------------------------------------------------------------------------------------------------|
| IC695ALG106                           | Analog Input Module, 6 Channel Isolated Voltage/Current                                        |
| IC695ALG112                           | Analog Input Module, 12 Channel Isolated Voltage/Current                                       |
| IC694ALG220                           | Input Analog 4pt Voltage                                                                       |
| IC694ALG221                           | Input Analog 4pt Current                                                                       |
| IC694ALG222                           | Input Analog 16 Single-Ended/8 Differential Voltage                                            |
| IC694ALG223                           | Input Analog 16 Single-Ended Current                                                           |
| IC694ALG232                           | Input Analog 16 Channel Current                                                                |
| IC694ALG233                           | Input Analog 16 Channel Voltage                                                                |
| IC695ALG306                           | Isolated Thermocouple Input Module, 6 Channels                                                 |
| IC695ALG312                           | Isolated Thermocouple Input Module, 12 Channels                                                |
| IC695ALG412                           | Isolated Thermocouple Input Module, 12 Channels                                                |
| IC695ALG508                           | Isolated RTD Input Module, 8 Channels                                                          |
| IC695ALG600                           | Universal Analog Input Module, Voltage, Current, Resistance, RTD, TC                           |
| IC695ALG608                           | Analog Input Module, 8 Channel Non-Isolated / 4 Channel Differential                           |
| IC695ALG616                           | Analog Input Module, 16 Channel Non-Isolated / 8 Channel Differential                          |
| IC695ALG626                           | Analog Input Module, 16 Channel Non-Isolated / 8 Channel Differential with HART Communications |
| IC695ALG628                           | Analog Input Module, 8 Channel Non-Isolated / 4 Channel Differential with HART Communications  |
| Analog Output Modules                 |                                                                                                |
| IC694ALG390                           | Output Analog Voltage 2 Channels                                                               |
| IC694ALG391                           | Output Analog Current 2 Channels                                                               |
| IC694ALG392                           | Output Analog Current/Voltage 8 Channels                                                       |
| IC695ALG704                           | Output Analog Current/Voltage 4 Channels                                                       |
| IC695ALG708                           | Output Analog Current/Voltage 8 Channels                                                       |
| IC695ALG728                           | Output Analog Current/Voltage 8 Channels with HART Communications                              |
| IC695ALG808                           | Analog Output Current/Voltage 8 Channels, Isolated                                             |
| Analog Mixed I/O Modules              |                                                                                                |
| IC694ALG442                           | Analog Module, 4-Inputs, 2-Outputs, Current/Voltage                                            |
| IC694ALG542                           | Analog Module, 4-Inputs, 2-Outputs, Current/Voltage with Advanced Diagnostics                  |
| Interface and Special Purpose Modules |                                                                                                |
| IC694BEM320                           | I/O Link Interface Module                                                                      |
| IC694BEM321                           | I/O Link Master Module                                                                         |
| IC694BEM331                           | Genius Bus Controller Module                                                                   |
| IC695CMM002                           | Serial Communications Module, 2 Ports                                                          |
| IC695CMM004                           | Serial Communications Module, 4 Ports                                                          |
| IC695CMX128                           | Memory Exchange Module                                                                         |
| IC694DNM200                           | DeviceNet Master Module                                                                        |
| IC694DSM314                           | DSM314 Motion Controller                                                                       |
| IC694DSM324                           | DSM324 Motion Controller                                                                       |
| IC695ECM850                           | IEC 61850 Ethernet Communication Module                                                        |
| IC695EDS001                           | RX3i DNP3 Outstation Module                                                                    |
| IC695EIS001                           | RX3i Ethernet 104 Server Module                                                                |
| IC695ETM001                           | Ethernet Transmitter Module                                                                    |
| IC695GCG001                           | Genius Communications Gateway                                                                  |
| IC695LRE001                           | Serial Bus Transmitter Module                                                                  |
| IC695NIU001                           | Ethernet Network Interface Unit Module                                                         |
| IC695PBM300                           | PROFIBUS Master Module                                                                         |

## PACSystems RX3i I/O

| Interface and Special Purpose Modules |                                                                                                  |
|---------------------------------------|--------------------------------------------------------------------------------------------------|
| IC695PBS301                           | PROFIBUS Slave Module                                                                            |
| IC695PMM335                           | PACMotion Multi-Axis Motion Controller                                                           |
| IC695PNC001                           | PROFINET Controller Module                                                                       |
| IC695PNS001                           | PROFINET Scanner Module                                                                          |
| IC695PNS101                           | PROFINET Scanner Module for RX3i Sequence of Events                                              |
| IC695PRS015                           | Pressure Transducer Module                                                                       |
| IC695RMX128                           | Redundancy Memory Xchange Module, Multi-Mode Fiber                                               |
| IC695RMX228                           | Redundancy Memory Xchange Module, Single-Mode Fiber                                              |
| Backplanes                            |                                                                                                  |
| IC695CHS016                           | RX3i 16-Slot Universal Backplane                                                                 |
| IC695CHS012                           | RX3i 12-Slot Universal Backplane                                                                 |
| IC695CHS007                           | RX3i 7-Slot Universal Backplane                                                                  |
| IC695CHS016PCIONLY                    | RX3i 16-Slot Backplane PCI only                                                                  |
| IC695CHS012PCIONLY                    | RX3i 12-Slot Backplane PCI only                                                                  |
| IC695CHS007PCIONLY                    | RX3i 7-Slot Backplane PCI only                                                                   |
| IC694CHS392                           | RX3i 10-Slot Serial Expansion Backplane                                                          |
| IC694CHS398                           | RX3i 5-Slot Serial Expansion Backplane                                                           |
| IC693CHS392                           | Series 90-30 10-Slot Expansion Backplane                                                         |
| IC693CHS398                           | Series 90-30 5-Slot Expansion Backplane                                                          |
| IC693CHS393                           | Series 90-30 10-Slot Remote Expansion Backplane                                                  |
| IC693CHS399                           | Series 90-30 5-Slot Remote Expansion Backplane                                                   |
| IC695CEE001                           | RX3i CEE001 Expansion Carrier                                                                    |
| IC695CEP001                           | RX3i CEP001 Expansion Carrier with RJ-45 Copper                                                  |
| Accessories                           |                                                                                                  |
| IC694ACC003                           | RX3i Door labels for the IC694MDLxxx I/O modules                                                 |
| IC694ACC300                           | RX3i DC Voltage Input simulator module                                                           |
| IC694ACC310                           | RX3i Blank filler module                                                                         |
| IC694ACC311                           | RX3i Terminal blocks, 20 terminal (qty 6) for IC694xx I/O modules only.                          |
| IC695ACC002                           | RX3i Replacement plastic cases for RX3i CPU and AC PS, quantity 4. Does not include front cover. |
| IC695ACC003                           | RX3i Door labels for RX3i IC695xxx I/O modules LG728, IC695HSC304, IC695HSC308                   |
| IC695ACC302                           | RX3i Auxiliary Smart Battery Module                                                              |
| IC695ACC600                           | RX3i Cold Junction Compensation Kit \ for Universal Analog Input IC695ALG600                     |
| IC695ACC650                           | RX3i Series 90-70 to RX3i Mechanical Frame                                                       |
| IC695ACC651                           | RX3i SERIES 90-70 TO RX3i I/O ADAPTER CARD                                                       |
| IC695ACC652                           | RX3i Series 90-70 to RX3i 5-Slot Conv Rack                                                       |
