### Features

#### Construction

This mounting channel is constructed from ALCOA 6063-T5 aluminum alloy that allows for increased heat dissipation. The frosted diffusing lens is constructed from PC.

#### Kit Includes

- 2.43-meter (96" / 8-ft) Aluminum channel
- 2.43-meter (96" / 8-ft) Lens
- End caps (2pcs)

#### Lens

The standard lens is frosted and offers excellent light dispersion and output, available in a black option.

#### Mounting

Securely mounts to a recessed surface. Field cuttable to any length. For indoor use only.

#### Application

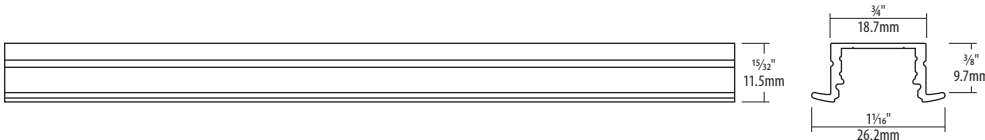

Accent light in under cabinet and cove applications. General illumination lighting and custom layouts. Accommodates flexible tape up to 12mm wide.

### Description

This 2.43-meter (96" / 8-ft) Aluminum recessed mounting channel with lens securely mounts with flexible LED tape. Includes 2 end caps.
