

## Reducing sleeve (square) DAYH-5

Part number: 1165480

**FESTO**

### Data sheet

| Feature                        | Value                         |
|--------------------------------|-------------------------------|
| Size                           | 5                             |
| Mounting position              | optional                      |
| Position detection             | Without                       |
| Corrosion resistance class CRC | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity         | VDMA24364-B1/B2-L             |
| Ambient temperature            | -10 °C...80 °C                |
| Product weight                 | 22 g                          |
| Type of mounting               | Via lock nut                  |
| Note on materials              | RoHS-compliant                |
| Material stops                 | High-alloy stainless steel    |
