Moment compensator
FKG-16-B

Part number: 15233

Data sheet

Feature	Value
Size	16
Radial deviation +/-	1 mm
Corrosion resistance class CRC	2 - Moderate corrosion stress
LABS (PWIS) conformity	VDMA24364-B2-L
Ambient temperature	-20 °C...120 °C
Max. permissible long-term load in force direction +/-	240 N
Product weight	257 g
Material driver	Anodised wrought aluminium alloy Galvanised steel
Material clevis	Steel Galvanised
Material slip piece	Brass
