Moment compensator
FKG-32-B

Part number: 33340

Data sheet

Feature	Value
Size	32
Radial deviation +/-	1 mm
Corrosion resistance class CRC	2 - Moderate corrosion stress
LABS (PWIS) conformity	VDMA24364-B2-L
Ambient temperature	-20 °C...120 °C
Max. permissible long-term load in force direction +/-	800 N
Product weight	677 g
Material driver	Anodised wrought aluminium alloy Galvanised steel
Material clevis	Steel Galvanised
Material slip piece	Brass
