Shock absorber retainer
DAYP-E21-60

Part number: 8067058

Data sheet

Feature	Value
Size	60
Mounting position	optional
Corrosion resistance class CRC	2 - Moderate corrosion stress
LABS (PWIS) conformity	VDMA24364-B2-L
Ambient temperature	-10 °C...60 °C
Product weight	356 g
Type of mounting	With through-hole
Note on materials	RoHS-compliant
Material stops	Anodised wrought aluminium alloy
Material retaining bracket	Anodised wrought aluminium alloy
