

ANSCHLUSSDOSE+KURZSCHLUSS-26P-103042 (Order no. 103042)

Connection kit

Connection kit

- ▶ for design HBA – 102 434 and HBA – 103 037, comprising 26-pin female flange connector and short-circuit plug

Technical data

Mechanical values and environment

Storage temperature	-25 ... 70 °C
---------------------	---------------

Connection 1

Connection type	Female plug
-----------------	-------------

Number of pins	26 Flange connector
----------------	---------------------

Degree of protection	IP67
----------------------	------

Material	
Plug housing	Metal

Connection 2

Connection type	Male plug
-----------------	-----------

Number of pins	26 Short-circuit plug
----------------	-----------------------

Degree of protection	IP67
----------------------	------

Material	
Plug housing	Metal

Miscellaneous

Additional information	Connection kit for HBA-102434 and HBA-103037
