

## BETAETIGERLEISTE SN02X12 (Order no. 124585)

### Actuator bar SN

- ▶ Actuator SN02X12: steel, material no. 1.0503 (C45) with burnished surface (black)

## Technical data

### Mechanical values and environment

|                     |  |
|---------------------|--|
| Dimensions          | 160x20x8   |
| Storage temperature | -25 ... 70 °C  |
| Material            | Steel, material no. 1.0503 (C45), with burnished surface (black) |

### Miscellaneous

|                        |           |
|------------------------|-----------|
| Additional information |           |
| Mounting holes         | 2 x M6    |
| Slot                   | 30 x 4 mm |
