

## CEM-A-ZPS-110013 (Order no. 110013)

### Programming adapter

- ▶ Programming adapter for setting the adhesive force

## Technical data

### Approvals

### Electrical connection values

Operating voltage DC

$U_{CM}$  24 V DC -15% ... +10%

Current consumption

30 mA

### Mechanical values and environment

Dimensions

49 mm x Ø11 mm

Storage temperature

-25 ... 70 °C

Degree of protection

IP67

Ambient temperature

-25 ... 50 °C

Material

Housing Macromelt PA-based plastic
