

## CES-A-BLN-U2-112710 (Order no. 112710)

### Actuator CES-A-BLN-U...

- ▶ Cube-shaped design 55 x 30 mm
- ▶ Use independent of position of door hinge

## Technical data

### Approvals

### Electrical connection values

|              |                         |
|--------------|-------------------------|
| Power supply | Inductive via read head |
|--------------|-------------------------|

### Mechanical values and environment

|                   |                           |
|-------------------|---------------------------|
| Tightening torque |                           |
|                   | Fixing screws max. 0.4 Nm |

|                     |               |
|---------------------|---------------|
| Storage temperature | -40 ... 70 °C |
|---------------------|---------------|

|                      |            |
|----------------------|------------|
| Degree of protection | IP67/IP69K |
|----------------------|------------|

|                     |               |
|---------------------|---------------|
| Ambient temperature | -40 ... 70 °C |
|---------------------|---------------|

|          |                       |
|----------|-----------------------|
| Material |                       |
|          | Housing Plastic (PBT) |
