

ZMO-ZB-MB1 (Order no. 103580)

Memory card for GMOX

- ▶ Memory card for storing the logic function
- ▶ Rapid program change by replacing the memory card

Technical data

Electrical connection values

Storage capacity	128 kByte B
------------------	-------------

Mechanical values and environment

Dimensions	25 x 15 x 1
Storage temperature	-25 ... 70 °C
