

AY-OS-LSR-156915 (Order no. 156915)

Laser alignment aid

- ▶ Laser alignment aid for light grids and light curtains LCA
- ▶ Light source: laser diode – wavelength 650 nm
- ▶ Laser class 2
- ▶ Usable range 100 m
- ▶ Straightforward clamping on the transmitter

Technical data

Electrical connection values

Power consumption	1 W (Batteries: 2 AAA)
-------------------	---------------------------

Mechanical values and environment

Dimensions	117x48x80 mm
Storage temperature	-25 ... 70 °C
Light wavelength	650 nm
Range	100000
Beam divergence	<0.5 mrad

Miscellaneous

Light source class	II (according to DIN EN 60825)
--------------------	-----------------------------------

Ordering data

Ordernumber	156915
Item designation	AY-OS-LSR-156915
Gross weight	0,39kg
Customs tariff number	85389099990
