

SIMATIC S7-1200, Simulator module SIM 1274, for CPU 1214/1215 14 input switches DC 24V

General information																																								
Product type designation	SIM 1274, 14 DI																																							
Supply voltage																																								
Rated value (DC)	24 V																																							
Digital inputs																																								
Number of digital inputs	14																																							
Digital outputs																																								
Number of digital outputs	0																																							
Analog inputs																																								
Number of analog inputs	0																																							
Analog outputs																																								
Number of analog outputs	0																																							
Degree and class of protection																																								
IP degree of protection	IP20																																							
Dimensions																																								
Width	67 mm																																							
Height	35 mm																																							
Depth	23 mm																																							
Classifications
