Maintenance Kits

Home Generators

8–60 kW

GENUINE PARTS DESIGNED FOR KOHLER® GENERATORS

You rely on your generator to keep your home powered even when the power's out. Ensure it's ready for the unexpected with a KOHLER maintenance kit. Featuring KOHLER genuine oil and parts, the kits:

- Extend generator life
- Promote powerful performance
- Ensure ease of starting
- Lower total cost of ownership
- Provide peace of mind
